Web Developer part-time remote

Description

Augmented Robotics is looking for Web developers in Slovakia! Fully remote or in a co-working space in Žilina.

Responsibilities

- Work with artists, designers, and marketing professionals to develop and maintain websites.
- Implement new features and functionality.
- Ensure WordPress websites are responsive and compatible across devices and browsers.
- Build cloud services that integrate into WordPress.
- Troubleshoot and resolve WordPress-related issues, compatibility problems, and technical challenges.
- Customize and extend WordPress themes and plugins to meet specific project requirements.

Qualifications

- Proven experience as a web developer, with a strong portfolio to showcase your work.
- Experience with content management systems (such as WordPress).
- Strong knowledge of PHP, HTML, CSS and JavaScript.
- Knowledge of web performance optimization techniques and SEO best practices.
- Understanding of responsive web design principles and mobile-first development.
- Experience with cloud services like AWS and/or Azure.
- Attention to detail and commitment to delivering high quality work.
- Ability to work independently and as part of a team.

Job Benefits

- Flexible Work Schedules: We offer you the opportunity to work a schedule that works for you. You can choose when and where you want to work.
- Ability to work remotely: If you prefer to work from home or another location, that's no problem for us. We offer you the option to work completely remotely.
- Competitive Salary: We pay a fair salary commensurate with your skills and experience.
- Challenging and diverse projects: We work on innovative projects that challenge you and develop your skills.
- Collaborative and supportive environment: We work in teams that support and learn from each other.
- Opportunities for training and development: We offer training and development opportunities to help you improve your skills and career prospects.
- Permanent or contract position: You can work for us either as a permanent employee or as a freelancer. This allows you to decide which type of employment is best for you.
